Project Period: October 1, 2020–September 30, 2021

Eligible Applicants

As federal funds become available, the Alabama State Department of Education (ALSDE) will make subgrants to local education agencies (LEAs) serving homeless children and youth.

Technical Assistance for Applicants

Technical assistance is provided to LEAs via a PowerPoint and a recorded webinar which can be found on the ALSDE website under the Federal Programs section tab at www.alsde.edu. It can also be found in the eGAP Document Library.

Special Note: Awards are made annually based on competition results. All funds should be budgeted and expended during the year of the award (no carryover).

The following application guidelines may be used to assist eligible LEAs in submitting their electronic applications:

An application must be submitted for each eligible LEA in eGAP. First-time applicants must obtain certain roles in eGAP in order to access the application. The system Superintendent or Chief School Financial Officer must grant the roles of both School System Homeless Coordinator and School System Improvement Planning Update. Each application must be reviewed and approved by the LEA superintendent. The application must describe and include a summary or compilation of a comprehensive needs assessment that has been conducted by the district and submitted in the eGAP document library. The assessment must reflect a need for a homeless educational program for the specific objectives and services proposed.

To receive McKinney-Vento grant funds, an LEA must demonstrate in its application intent to provide an appropriate education program for homeless children and youth. At a minimum, the LEA application must include:

- An assessment of the educational and related needs of homeless children and youth in the area served by the LEA (which may be undertaken as part of needs assessments for other disadvantaged groups).
- A description of the services and programs for which assistance is sought to address the needs identified for homeless children and youth.
- An assurance that the applicant complies with, or will use requested funds to comply with, paragraphs (3) through (7) of Section 9102 located in the eGAP application.
- A description of policies and procedures, consistent with Section 9102(e)(3), that the agency will implement to ensure that activities carried out by the agency will not isolate or stigmatize homeless children and youth.
- The plan must include the applicable program assurances and certifications.

The following application narrative guidelines may be used to complete the narrative sections of the electronic application.

Before preparing the application narrative, applicants should carefully review the programmatic requirements in Appendix A. Please note that narrative questions have a text limit of 3,000 characters per question. Applicants need to **Save Current Page** as they go through the application, for there is a 20-minute time limit per action.

Each LEA application narrative must include:

- An assessment of the educational and related needs of homeless children and youth in the area served by the LEA.
- A description of the services and programs for which assistance is sought to address needs identified.
- A description of policies and procedures, consistent with Section 9102 (e)(3), that the LEA will implement to ensure that activities carried out by the agency will not isolate or stigmatize homeless children and youth.

Guidelines for completing the Budget Detail (*Application-3*)

Indicate total amount of McKinney-Vento grant funds requested for the LEA using the budget section of the application. Also, indicate the amount contributed from other revenue sources, if applicable.

Allowable Uses of Funds

McKinney-Vento grant funds may be used to carry out educational programs for homeless children and youth, including the following:

- The provision of tutoring, supplemental instruction, and enriched educational services that are linked to the achievement of the same challenging state academic content standards and challenging state student academic achievement standards the state establishes for other children and youths.
- The provision of expedited evaluations of the strengths and needs of homeless children and youth, including needs and eligibility for programs and services (such as educational programs for gifted and talented students, children with disabilities, and students with limited- English proficiency, services provided under Title I of the *Elementary and Secondary Education Act of 1965* or similar state or local programs, programs in vocational and technical education, and school nutrition programs).
- Professional development and other activities for educators and pupil services personnel that are designed to heighten the understanding and sensitivity of such personnel to the needs of homeless children and youth, the rights of such children and youth, and the specific educational needs of runaway and homeless youth.
- The provision of referral services to homeless children and youth for medical, dental, mental, and other health services.

- The provision of assistance to defray the excess cost of transportation for students under Section 9102(g)(4)(A) not otherwise provided through federal, state, or local funding where necessary to enable students to attend the school selected under Section 9102(g)(3).
- The provision of developmentally appropriate early childhood education programs not otherwise provided through federal, state, or local funding for preschool-aged homeless children.
- The provision of services and assistance to attract, engage, and retain homeless children and youth, and unaccompanied youth, in public school programs and services provided to non-homeless children and youth.
- The provision of before-school and after-school, mentoring, and summer programs in which a teacher or other qualified individual provides tutoring, homework assistance, and supervision of educational activities.
- If necessary, the payment of fees and other costs associated with tracking, obtaining, and transferring records necessary to enroll homeless children and youth in school, including birth certificates, immunization or medical records, academic records, guardianship records, and evaluations for special programs or services.
- The provision of education and training to the parents of homeless children and youth about the rights of, and resources available to, such children and youth.
- The development of coordination between schools and agencies providing services to homeless children and youth, as described in Section 9102(g) (5).
- The provision of pupil services (including violence prevention counseling) and referrals for such services.
- Activities to address the particular needs of homeless children and youth that may arise from domestic violence.
- The adaptation of space and purchase of supplies for any non-school facilities made available under Subsection (a) (2) to provide services under this subsection.
- The provision of school supplies, including those supplies to be distributed at shelters or temporary housing facilities, or other appropriate locations.
- The provision of other extraordinary or emergency assistance needed to enable homeless children and youth to attend school.

If funds will be used for staff, identify by position the personnel to be employed with McKinney-Vento grant funds or other resources; the period of time assigned to the project; and the FTE for each employee. This information should be recorded on the budget details section of the application. No more than 40% of the total grant amount may be used for the LEA homeless liaison's salary and benefits.

Employee benefits must be itemized and provide applicable rates. Benefits must be paid from the same source of funds as the salaries are paid.

Minimum grant award: \$10,000

Maximum grant award: \$100,000

The amount requested should be based on the needs and previous expenses applied to homeless students.

Administrative cost must comply with 5% limit.

Funds may be used to support any costs for an approved project; however, the applicant must adhere to the **supplement, not supplant**, requirements of the program.

Evaluation of Program

Program Evaluation Planning and Reporting Template found in the Document Library on eGAP, under the Program Evaluation Section, must be completed at the time of the application. LEAs are to complete the Planning Side of the template (first three columns) and post in the Related Documents section in eGAP, under the Program Evaluation Heading. The last column on the template will be completed after the fiscal year and will need to describe the results these funds had on your homeless education program. If the LEA received a homeless competitive grant last school year, FY 20, then the LEA should also post the evaluation results for last year in the Related Documents section.

Proposed Acquisitions of Capitalized Equipment (*Application-4*)

Prior approval is required for all capitalized equipment. Capitalized equipment is defined as all equipment with a unit cost of \$5,000 or more. The equipment should meet the following criteria:

- Retains its original shape and appearance with use.
- Under normal conditions is expected to serve its intended purpose for longer than one year.
- Is non-expendable, that is, if the item is damaged or some of its parts are worn out, it is more feasible to repair the item than to replace it with a new unit.

An itemized list of "non-capitalized" equipment should be included and a supplemental inventory should be maintained and must be available for on-site review. Non-capitalized equipment is an item that meets the criteria listed above but does not meet the cost criteria identified for capitalized equipment.

Selection Process and Criteria

Criteria for selection based on “need” will include the following:

- The extent to which the proposed use of funds will facilitate the enrollment, retention, and educational success of homeless children and youth.
- The extent to which the application reflects coordination with other local and state agencies that serve homeless children and youth and describes how the applicant will meet the requirements of Section 9102(g) (3).
- The extent to which the applicant demonstrates in the application and in current practice a commitment to education for all homeless children and youth.

Criteria for selection based on “quality of the application” will consider the following:

- The applicant’s needs assessment and the likelihood that the program presented in the application will meet such needs.
- The types, intensity, and coordination of the services to be provided under the program.
- The involvement of parents or guardians of homeless children or youth in the education of their children.
- The extent to which homeless children and youth will be integrated within the regular education program.
- The quality of the applicant's evaluation plan for the program.
- The extent to which services provided will be coordinated with other services available to homeless children and youth and their families, i.e. – collaboration with other local agencies.
- Such other measures as the ALSDE considers indicative of a high-quality program (i.e., has the application been submitted to the State Coordinator expeditiously), such as the extent to which the LEA will provide case management or related services to unaccompanied youth.

After all proposals have been read and scored by the review panel, the proposals will be ranked from highest to lowest according to their scores. In addition, each reviewer will indicate on his/her Technical Review Form if funding of the proposal is recommended. If the majority of the reviewers do not recommend approval, a proposal will not be considered in the approval process. However, if the majority of the reviewers recommend approval, the proposal will be considered for approval based on its rank.

The Federal Programs Section will make recommendations for awards to the State Superintendent of Education. The final decision to award a subgrant rests solely with the ALSDE.

APPENDIX A

The McKinney-Vento Education for Homeless Children and Youth Act of 2001

42 U.S.C. § 11431 - STATEMENT OF POLICY

The following is the policy of the Congress:

- (1) Each State educational agency shall ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youths.
- (2) In any State that has a compulsory residency requirement as a component of the State's compulsory school attendance laws or other laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youths, the State will review and undertake steps to revise such laws, regulations, practices, or policies to ensure that homeless children and youths are afforded the same free, appropriate public education as provided to other children and youths.
- (3) Homelessness alone is not sufficient reason to separate students from the mainstream school environment.
- (4) Homeless children and youths should have access to the education and other services that such children and youths need to ensure that such children and youths have an opportunity to meet the same challenging State student academic achievement standards to which all students are held.

42 U.S.C. § 11432 - GRANTS FOR STATE AND LOCAL ACTIVITIES FOR THE EDUCATION OF HOMELESS CHILDREN AND YOUTHS

(a) GENERAL AUTHORITY - The Secretary is authorized to make grants to States in accordance with the provisions of this section to enable such States to carry out the activities described in subsections (d) through (g) of this section.

- (i) \$150,000;
- (ii) one-fourth of 1 percent of the amount appropriated under section [11435](#) of this title for that year; or
- (iii) the amount such State received under this section for fiscal year 2001.

(B) If there are insufficient funds in a fiscal year to allot to each State the minimum amount under subparagraph (A), the Secretary shall ratably reduce the allotments to all States based on the proportionate share that each State received under this subsection for the preceding fiscal year.

(2) RESERVATIONS –

(A) The Secretary is authorized to reserve 0.1 percent of the amount appropriated for each fiscal year under section [11435](#) of this title to be allocated by the Secretary among the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands, according to their respective need for assistance under this part, as determined by the Secretary.

(B)(i) The Secretary shall transfer 1 percent of the amount appropriated for each fiscal year under section [11435](#) of this title to the Department of the Interior for programs for Indian students served by schools funded by the Secretary of the Interior, as determined under the Indian Self-Determination and Education Assistance Act ([25 U.S.C. 450](#) et seq.), that are consistent with the purposes of the programs described in this part.
